INTRODUCTORY

The 1965 volume is the 33rd edition of the Chinese Directory of Southern Alberta. The work embodies a resume of the commercial, industrial and social interests and activities of the communities. It is a functional directory in all its parts and includes all the essential features which have proven so satisfactory to our patrons in previous issues. The best of these have been retained and amplified with improvements added in order to increase the value and usefulness of the Directory to meet the requirements of patrons.

ALPHABETICAL LISTING

The most notable change in the present volume is the improved method of listing. All Chinese firms are grouped according to classification and wherever possible the name or names of the owner of each business firm is supplied. The second section consists of an alphabetical listing of all Chinese citizens in Calgary, Lethbridge, Medicine Hat and surrounding territory.

CHINESE IN SOUTHERN ALBERTA

The total Chinese population in Southern Alberta is in excess of 4000. This estimate of population is based on the actual number of individual names in the alphabetical section of this directory, with due allowance for children and women whose names are not listed. As in other provinces of Canada, the Southern Alberta Chinese population

is increasing yearly due to a normal birth rate among the second generation families and to the new arrival of immigrants from China.

ACCURACY AND RESULTS

The complete organization and resources of the publishers were employed to produce the present volume. With its staff of skilled and experienced translators and compilers, the publication is geared for accuracy, thoroughness and results.

ADVERTISING IN THIS DIRECTORY

An important function of this directory is to set forth the characteristics and advantages of the different cities to the Chinese people, as places of residence, as business locations and as industrial sites. The Directory acts as a mirror, reflecting all that is noteworthy in the above respects. In order to spread this information, the publishers have placed copies of this directory in all Public Libraries of major Canadian cities so that they may be readily available for reference to the public. There they serve as perpetual information on the Chinese communities as they progress.

The Publishers take this opportunity of thanking the citizens for all the valuable assistance rendered in the way of furnishing information concerning themselves, their friends and their business associates for this Directory. Also the public spirited and progressive business and professional men for their support given in the way of patronage.

Respectfully,

No people in the world enjoy celebrations more than the Chinese. During the year they have many—all have a special significance and all are celebrated in the grand manner. The Chinese can, on certain occasions, be a very noisy people, shouting, cheering, rushing hither and thither, shooting off firecrackers, sky-rockets and Roman candles; but with it all they never become excited or rude to the point where they forget respect and consideration for those about them.

The Chinese have many festivals. Most are connected with the seasons, but some are occasions for paying respect and reverence to ancestors.

NEW YEAR

New Year is the greatest of all the Chinese celebrations. It is the time for great rejoicing, with a world filled with happiness and promise. Debts are paid before the New Year, leaving everyone free for mirth and happiness in a carefree manner.

Houses are newly painted, draped and decorated with bunting to hail the occasion. Walls are washed, floors scoured and furniture varnished. As a part of the celebration, children get new clothes; receive presents and books. On New Year everybody dons his Sunday best. Many of the fashionable young ladies take pride in showing off the latest gowns with a native Chinese effect.

The most important ritual takes place on New Year's Eve when sweets, fruits, flowers and choicest foods are blessed and offered before the portraits of ancestors. When the ceremonial hour arrives the head of the family lights red candles and burns incense. Tea is offered to the spirits of deceased loved ones, and members of the family according to seniority, bow before the portraits of the departed.

Dinner on New Year's Eve is the most sumptuous of the year. Foods take on fanciful and exotic names. An egg becomes a 'silver ingot', taros become 'fortunes,' and rice cakes signify 'progress and advance.'

The entire family congregates gaily around the table, drinking toasts and telling jokes. Gifts are exchanged. Parents wrap silver dollars or bank notes in red paper and place them under the children's pillows.

Chinese greet each other on New Year's Day with the expression 'Gung hay fat Choy,' equivalent to 'Happy New Year along with prosperity.' So tourists visiting Chinatown on New Year also may greet their Chinese cousins with a hearty 'Gung hay fat choy.' Very often state and city officials visit Chinatown to congratulate local leaders and wish happiness and prosperity to all the people.

During the New Year celebration, Chinatown is a roar of firecrackers the sky lighted by thousands of rockets and Roman candles. The dragon and lion dances, the big parade, the colorful Chinese beauty contest and the fashion show make the event the best time to visit Chinatown. Determined by the rotation of the moon, the Chinese New Year comes in late January or early February. Visit Chinatown on its day of days, Chinese New Year. In anticipation of your visit, Chinatown Handy Guide greets you with a hearty 'Gung hay fat choy.'

CHING MING

Another highly celebrated festival is called 'Ching Ming,' or the Festival of Tombs. This event comes toward the end of the second month in the Chinese calendar, the time when the Chinese greet the spring. The festival is universally observed, and while it is a time for pleasure and picnicking, it is also the time when reverence and honor is paid to the departed spirits. On that day graves are put in order. Each family presents an offering before the tablets adorning the graves of its dearly departed. Flowers and wreaths are laid on them as a mark of remembrance. These practices, observed since 700 B.C., can be compared with those of Memorial Day. Ching Ming is celebrated around early April.

DRAGON BOAT FESTIVAL

This festival, held on the fifth day of the fifth month, Chinese calendar, occurs in late June or early July.

Every action of the day is directed toward warding off evil symptoms and spi-

rits. Everyone is ware of the five poisonus creatures: toads, lizards, scorpions, centipedes and serpents.

Special foods served on this day are dumplings of glutinous rice boiled in bamboo leaves in various shapes; garlic, spinach, salted egg and lima beans)

This season of the year is considered nautical by the Chinese who take part in the delights of boating. The dragon boat is king of the festival. It is narrow, just wide enough for two men sitting abreast. It is moved by paddles to the accompaniment of drums and gongs creating a great din.

The most popular account of the origin of this festival is that it commemorates the untimely death of a great poet and minister of state, Chu Yuan, who was falsely accused by a corrupt prince. In remorse, he drowned himself as an example of his belief in right and honest living. The dragon boat regattas are in memory of the search for his body.

MOON FESTIVAL

This important festival, falling on the fifteenth day of the eighth month of the Chinese calendar, is celebrated and revered by every Chinese community.

Falling in September, it could be called the Harvest Home, or gathering of the fruits, vegetables and plants for winter storage.

Friends gather around a table of the harvest consisting of moon cakes, candy, water chestnuts and wine. For the children it is a day of happiness and promise, for the moon goddess is supposed to come down from heaven to give all mortals, especially the children, their desires.

Old romantic fables are related, woven around the fabulously charming Moon Lady, Chang Ngo, wife of an alchemist, who labored for years to make three pills which could preserve life and transform humans into divinities. During this Mid-Autumn Festival she found and swallowed the pills.

DOUBLE TEN

Double Ten is Chinese National Day. It is the patriotic occasion similar to the American Fourth of July (Independence Day). It gets its name because it falls on the tenth day of the tenth month. It is the anniversary celebration of the founding of the Chinese Republic.

The Republic was created in 1911 by the beloved patriot, Dr. Sun Yat-sen and his fellow revolutionaries who, after a long struggle, overthrew the ruling Manchu Dynasty. Now, in spite of the fact that China is under Communist rule, Chinese in all parts of the world dedicate the occasion to the honor and respect of Dr. Sun Yatsen, who was also the first president of the Chinese Republic - the Chinese George Washington.

Double Ten is celebrated in purely patriotic manner. There are sporting events, special theatrical productions, festive dances, parades and the turning of festive lights. It is an occasion for celebration similar to New Year's.

來加，在域多利時，年十七，他是搭那隻卑詩史上的五月花隙士洽船來加。相信那隻船載來了最多獨身華僑，抵達加西海港的船隻。

一八七八年六月七日，那隻船抵達這裏的海港時，域多利殖民日報曾說，隙士洽三桅船，船長本汝比氏，由香港啓程來加，四十八天抵達這裏，泊羅的士公司碼頭，他代本埠華商載來中國各種貨物，合共四百噸和三百五十五名華僑搭客。

這些華僑往那裏去，做什麼工作，他們都是往加拉浦去採金礦，或留在埠裏做餐館

和洗衣館，有些住在域多利，頗感不安，爲了當時種族的偏見，受人們的嘲弄，和從前那做父母的人們，不及注意他們幼小孩子無智的舉動，但是他們仍本着友愛的德性，勤勞的精神做去，沒有中途回國的念頭。

當隙士洽船抵達這裏的時候，殖民日報曾告訴我們一些關於域多利的觀感，那時雲高華埠尚未成立。

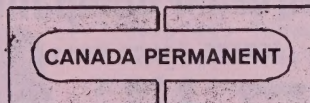

一八七九年，一羣人站在碼頭，看着那新來華僑登岸，不大歡迎，他們雖覺晦氣，可是存謙恭，處之泰然，什麼批評，偏見，對於這些新移民，絲毫沒有影響。

初期隙士洽來加的華僑，言語舉止，雖未盡如人意，但是到了今天，我們看見在卑詩省的華僑，都已在生活上起了大大的轉變，成爲加拿大的良好公民，和搭那諾曼摩里臣等船隻來加的移民後裔一樣，在卑詩省主要城市做醫生，護士，科學家，軍人。

這裏華裔和我們頭腦清醒的人士，回顧一八七八年的移民，都會同情搭隙士洽船來加的華僑，怎樣奮鬥，貫徹他們的志願，那船公司是認定這些搭客來加，完全是自己負責，希望找得工作棲身，他們多數往企士亞和加拉浦兩處，有些留住埠裏做低微工作，博回多少金錢，返去中國，那三百五十五名華僑來加，每名繳納人頭稅金五十元

Three men were arguing as to what profession was first established on earth; said the surgeon, "The Bible says that Eve was made by carving a rib out of Adam. I guess that makes mine the oldest profession."

Said the engineer, "Not at all. In six days the earth was created out of chaos, and that was an engineering job."

Said the politician, "Yes, but who made the chaos?"

He looked out of the window and called to his wife, "There goes that woman Bill Jones is in love with."

She dropped the cup she was drying in the kitchen, hurtled through the door, knocked over a lamp and craned her neck to look. "Where?" she panted.

"There," he pointed, "that woman at the corner in the tweed coat."

"You idiot," she said, "that's his wife."

"Well, of course, it is," he replied.
